Professional Experience

Deloitte Tax LLP, Seattle, WA

July 2021 – December 2022

Senior Consultant, Tax Technology Consulting

60 Hours/Week

Awards: Deloitte Outstanding Performance Award; Deloitte Applause Award (x3); Thank It Forward (x8).

- Recognized as subject matter expert in Longview Tax Provision cloud platform. Advised senior leadership and clients with over \$100 billion in revenue on platform implementation and design.
- Contributed to new client development. Advised senior leadership on scope, pricing, cost, and work plans for implementation service proposals valued up to \$1.2 million.
- Led a five-person technical team across several simultaneous implementations to ensure quality tax transformations for multi-national companies. Contributed to junior consultant performance evaluations.
- Designed and delivered Longview Tax Provision training programs to groups of up to 100 internal and external personnel. Authored training curriculum and presentation materials.
- Debugged client platform instances for algorithm, architecture, and data integrity issues. Provided time-critical system enhancements in support of client strategic divestment valued over \$3 billion.

InsightSoftware: Longview Solutions, Chicago, IL

May 2019 – June 2021

Consultant, Professional Services

45 Hours/Week

- Implemented out-of-the-box tax provision platform to automate and transform accounting practices for clients. Stood up instances and applied automation to tax processes for clients with over \$12 billion in revenue.
- Configured custom calculations and reports for clients with over \$59 billion in revenue using Longview's application-specific programming. Synthesized client requirements and constructed novel email-delivery reporting.
- Managed client relationships as primary point of contact for technical issues. Fielded questions on platform capabilities and limitations. Controlled scope and elevated scope change requests to internal management.
