Experience

Deloitte Tax LLP, Seattle, WA

2021 - Present

Senior Consultant, Tax Technology Consulting

- Recognized as subject matter expert in Longview Tax Provision cloud platform. Advised senior leadership and clients with over \$100 billion in revenue on platform implementation and design.
- Contributed to new client development. Advised senior leadership on scope, pricing, cost, and work plans for implementation service proposals valued up to \$1.2 million.
- Led a five-person technical team across several simultaneous implementations to ensure quality tax transformations for multi-national companies. Contributed to junior consultant performance evaluations.
- Designed and delivered Longview Tax Provision training programs to groups of up to 80 internal and external personnel. Authored training curriculum and presentation materials.
- Debugged client platform instances for algorithm, architecture, and data integrity issues. Provided time-critical system enhancements in support of client strategic divestment valued over \$3 billion.
- Recognized for making contributions above and beyond role expectations: Deloitte Outstanding Performance Award; Deloitte Applause Award (x3); Thank It Forward (x5).

InsightSoftware: Longview Solutions, Chicago, IL

2019 - 2021

Consultant, Professional Services

- Implemented out-of-the-box tax provision platform to automate and transform accounting practices for clients. Stood up instances and applied automation to tax processes for clients with over \$12 billion in revenue.
- Configured custom calculations and reports for clients with over \$59 billion in revenue using Longview's application-specific programming. Synthesized client requirements and constructed novel email-delivery reporting.
- Managed client relationships as primary point of contact for technical issues. Fielded questions on platform capabilities and limitations. Controlled scope and elevated scope change requests to internal management.

Joseph T. Ryerson & Son, Chicago, IL

2016 - 2019

Project Tax Analyst for Metal Processing and Distribution Corporation

- Prepared and reviewed company's tax provision, account reconciliations, book-to-tax difference workpapers, and Federal and SALT compliance. Maintained and trained staff in income tax, provision, and ERP platforms.

Education

Northwestern University, School of Professional Studies, Chicago, IL

2020

Full Stack Web Development Boot Camp Certificate; Grade: A

Loyola University Chicago, Quinlan School of Business, Chicago, IL
